

Dear Members

Greetings from the Entomological Society of India. I would like to convey you all that the Executive Committee of the Entomological Society of India after detail deliberations has decided to extent the umbrella of the society in line of other such professional societies by bifurcating the activities at zonal levels. In this regard, executive Committee has decided to create Zonal Councils of the States viz., North Zone, Central Zone, East Zone, West Zone, South Zone and North Eastern States. The Zonal activities are to be coordinated by Zonal Presidents and Zonal Councillors. Your consent in this regard is cordially requested. If you have any observations/ suggestions please convey by return mail within a week otherwise it will be presumed that you are agreeable to the proposal.

With kind regards,

(Dr J P Singh)

General Secretary on behalf of Executive Committee

Entomological Society of India
